

# The Perfect Chai Maker

Awnit Singh Marta

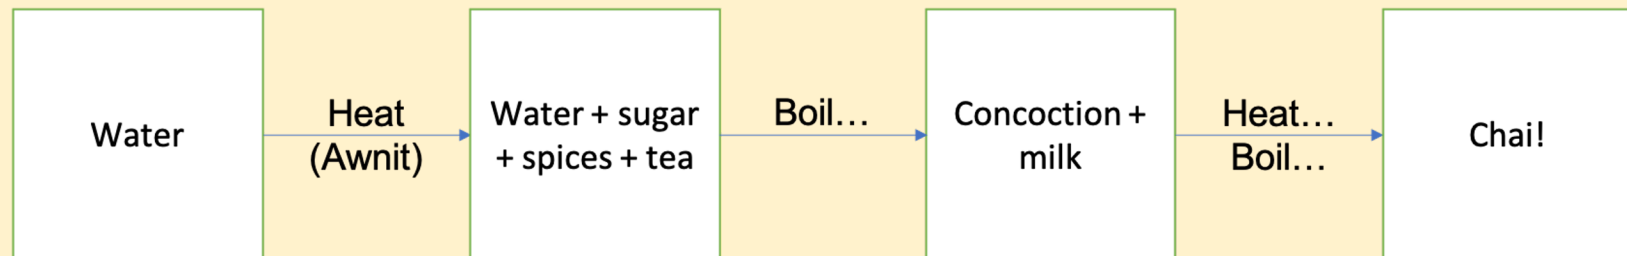

Perfect Chai

# Perfect Chai

*Making coffee at the workplace has become an integrated part of workflow, generally requiring just the touch of a button to make. However, making Chai, a South Asian tea, or the closest alternative, has required more time, preparation, and handling of multiple components.*

# Chai

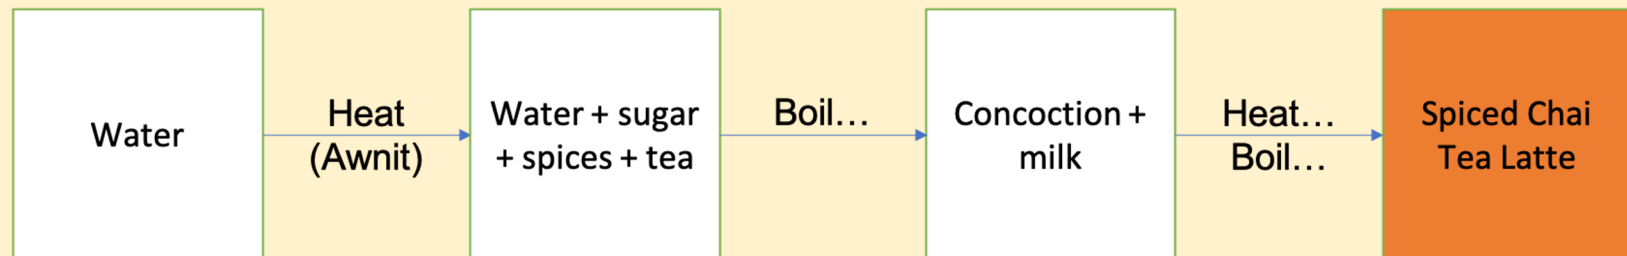

- Indian Tea
- English Breakfast
  - + spices, loose leaf
- Stovetop
- Boiled water... boiled milk

# Chai

- Indian Tea
- Exotic English Breakfast
  - + spices, loose leaf
- Stovetop
- Boiled water... boiled milk

**Temperatures to be determined “experimentally”**

# Perfect Chai Maker?

*Making coffee at the workplace has become an integrated part of workflow, generally requiring just the touch of a button to make. However, making Chai, a South Asian tea, or the closest alternative, has required more time, preparation, and handling of multiple components.*

# Perfect Chai Maker?

*Making coffee at the workplace has become an integrated part of workflow, generally requiring just the **touch of a button to make**. However, making Chai, a South Asian tea, or the closest alternative, has required more **time, preparation, and handling** of multiple components.*
